

IVC Wood Procurement Policy

International Veneer Company, Incorporated (IVC) supports the Forest Stewardship Council's (FSC) recommendations. IVC controls all sources of non-FSC wood to avoid the following procurement sources:

1. Illegally harvested wood;
2. Wood harvested in violation of traditional and civil rights;
3. Wood harvested in forests where high conservation values are threatened by management activities;
4. Wood harvested in forests being converted to plantations or non-forest use;
5. Wood from forests in which genetically modified trees are planted.
